## How Do Animals Prepare for the Seasonal Changes?

Fall

| Animal | Self |
|--------|------|
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |

## Winter

| Animal | Self |
|--------|------|
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |

Spring

| Animal | Self |
|--------|------|
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
|        |      |
